## **DETAILED ACTION**

### ***Allowable Subject Matter***

1. Claims 4-11 are allowed.
2. The following is an examiner's statement of reasons for allowance:
  - The amendment filed 6/7/10 distinguishes the claimed subject matter from the prior art of record; furthermore, the Examiner found Applicant's arguments persuasive; therefore, it is considered that the references of the Prior Art of record fail to teach, or suggest any obvious combination of the limitations as particularly described in claim 4.

Any comments considered necessary by applicant must be submitted no later than the payment of the issue fee and, to avoid processing delays, should preferably accompany the issue fee. Such submissions should be clearly labeled "Comments on Statement of Reasons for Allowance."

### ***Contact Information***

3. Any inquiry concerning this communication or earlier communications from the examiner should be directed to Jeremy Luks whose telephone number is (571) 272-2707. The examiner can normally be reached on Monday-Friday, 9:00-5:30.

If attempts to reach the examiner by telephone are unsuccessful, the examiner's supervisor, Elvin Enad can be reached on (571) 272-1990. The fax phone number for the organization where this application or proceeding is assigned is 571-273-8300.
